### **Implats hails record-breaking performance of Comrades winner and colleague David Gatebe**

The record-breaking Comrades performance of David Gatebe this morning is credit to the exceptional hard work and dedication of an elite athlete, says Gatebe's employer, JSE-listed platinum producer Implats.

Gatebe is a sports administrator at Impala Platinum in Rustenburg, and is one of two elite long-distance athletes employed at the company.

"To slash almost two minutes off the downhill record set in 2007 is an incredible achievement, and is a wonderful piece of good news for Implats and an industry that is going through some very tough times at the moment," says Terence Goodlace, CEO of Implats.

"As a company we've been following David's progress with great interest, and with his 2013 win in the Two Oceans ultra-marathon and three previous silver medals in the Comrades under his belt we were all hoping for a Top 10 finish today. We are absolutely thrilled that he has exceeded our high expectations to win the race in record-time," says Goodlace.
