**Cautionary announcement**

Shareholders are advised that the Company has entered into discussions relating to a potential acquisition, which if successfully concluded, may have a material effect on Long4Life's share price.

Such discussions are unrelated to the Company's non-binding expression of interest to the board of directors of Holdsport Limited ("Holdsport") in terms of the potential acquisition of the entire issued share capital of Holdsport as detailed in the joint cautionary announcement dated 3 July 2017.

Shareholders are accordingly advised to exercise caution when dealing in the company's securities until a further announcement in this regard is made.
